

SCIENCE & RELIGION
PAPER 3, ROUND 1
Writing the draft

1 Your assignment

Begin with the topic that you developed during Round 0 of this assignment. Now, **write a complete draft** of this paper. It must no longer than 6 pages (not including the bibliography) using a 12-point font, double-spaced, with 1 inch margins.

Remember that **your name must not appear on your paper** so that your work can be anonymously reviewed by your classmates. Note, too, that although you may use up to 6 pages, brevity is the soul of wit.

2 How to submit your work

Upload a PDF, named **exactly draft.pdf**, to your shared Google Drive folder for Paper 3.

This assignment is due on Thursday, Nov-30, 11:59 pm.
